4-H GENERAL RULES

1. Entries are open to all 4-H & FFA members who are in good standing in Stillwater County. Fair entry deadline will be set for June 15 by the close of business. If June 15 falls on a weekend, the following Monday by the close of business will be the deadline. Late entries will be accepted through June 22 by the close of business, and must be accompanied by a $50 late entry fee. If June 22 falls on a weekend, the following Monday by the close of business will be the deadline. The Extension Office will put information in the May newsletter as well as send out an entry form to each family by May 15.

2. Exhibit Entry Information
   a. All projects must be entered by June 15th and no additions will be allowed after the 2nd deadline as stated on entry form.
   b. Interview schedules will be sent out after the entry deadline.
   c. You may enter in any or all Classes in the project(s) in which you are enrolled.
   d. When you arrive at the fair, pick up your entry tags at fair office located inside Pavilion.
   e. Please attach each pre-printed entry tag to the correct exhibit

3. All exhibits must be in place as scheduled. See your program for time of judging. Exhibits must stay in place until 4:30 pm Saturday, or until sale ends, whichever commences first. Unless other arrangements are made, exhibitors are responsible for claiming exhibits at the close of fair. Unclaimed items will be disposed of by the cleanup committee. Please be prompt to ensure retrieval of your projects. Members who choose to leave before the 4:30 departure time on Saturday relinquish their trophies and cash awards. They are also not eligible for the premium money from the fair funds. This rule will apply unless directed otherwise by the appropriate division superintendent.

4. All exhibits not sold through the sale ring will receive premiums on Purple, Blue, and Red ribbons. Premiums are not paid on White ribbon exhibits of any kind. White ribbon market animals are not allowed to be sold in the livestock sale.

5. All exhibits will be judged according to quality. The groups will be rated by colored awards. When the judge deems the quality merits, Purple ribbons may be given and will be the top award followed by Blue, Red and White. If an exhibit doesn’t warrant at least a White ribbon, it will not be given an award.

6. ALL JUDGE’S DECISIONS ARE FINAL! No person(s) shall be allowed, under any circumstance, to interfere with the judge(s) during or after their adjudications.

7. If you are unable to bring your exhibit to the fair, arrangements need to be made prior to the fair for a taped interview.

8. Premium money will be paid to the clubs as soon as the claims can be processed by the county.

9. The fair committee, organization and other concerns donating facilities and equipment or anyone associated with the fair management, will not be responsible for the loss, damage or injury to any article, bird or animal exhibited at the fair either during the progress of the fair, or while in route to or from the fair. Nor will they be held responsible for the safe return of...
any exhibit to its owner, although due care will be exercised to prevent loss or damage. Furthermore, they will not be held liable for injury or damage to any person or personal property.

10. There will be a responsible person(s) at the fairgrounds on Wednesday, Thursday and Friday nights to watch over the exhibits and livestock.

11. **ALL ANIMALS WILL BE STALLED INSIDE THE FAIRGROUNDS ENCLOSURE AT ALL TIMES.**

12. 4-H & FFA members are responsible for feeding, watering and caring for their livestock, and for the appearance, condition, and cleanliness of their stall area. The buildings must be kept in order at all times. Show boxes and equipment may be stored in barn within designated areas as determined by superintendent.

13. **LIVESTOCK AND HORSE EXHIBITORS MUST CLEAN THEIR STALLS BEFORE THEY LEAVE THE FAIRGROUNDS. EACH MEMBER MUST CHECK OUT WITH THE BARN SUPERINTENDENT BEFORE LEAVING THE GROUNDS.**

14. Each 4-H club is responsible for its member display booths. (Foods, Clothing, Child Development, Home Improvements, and indoor projects) Arrangements need to be made for tables, background banners, etc. Organizational Leaders are responsible for coordinating or delegating the displays. Each member must help clean up their respective club area before leaving the fairgrounds. Check with building superintendent before leaving. Staples are not allowed when putting up displays.

15. Displays may be in the form of posters, 3-dimensional objects, or notebooks. Be sure to have a prominent title for easy public viewing.

16. In the case of a member being out of the county for a number of weeks prior to the fair, the member will have to submit a report to the County Extension Office before the fair entries are turned in to prove the work done on the project was his/her own. (This is especially necessary in short-term projects such as vegetable and flower gardens.) All projects will be interview judged.

17. Premiums are awarded to ALL projects EXCEPT market livestock projects, excluding ribbon only classes. Points are awarded as follows: purple 4, blue 3, red 2, and white 1. Dollar value is determined based on county allocated fair budget.

18. **It is required that all members have completed their 4-H records up to the day of the fair in order to sell any animal or sell items in the Silent Auction.** This includes feed records (if applicable), financial records, project journals, and also completed requirements in the respective project manuals. If all project manuals have been completed then members must complete an independent study related to their project. **All records must have a leader signature. Leaders will submit a list of those who have NOT completed forms and manuals to the Extension office by the first Monday of the fair at 8am.** The main objective of the 4-H program is to provide a learning experience for the member and not just provide a place to sell an animal.

19. **FFA members will be allowed to use their FFA/SAE records at time of fair, whether showing as FFA or $-H. Records will include financial, project journal, cash flow, and be signed by their advisor.** Member will still need 4-H project book completed and signed by 4-H leader. All records must have a chapter advisors signature. Advisors will submit a list of those who have NOT complete forms and manuals to the Extension office by the first Monday of the fair at 8 a.m.

20. **OPEN FLAME FIRES ARE PROHIBITED ON THE FAIRGROUNDS.**

**CONSEQUENCES**

Any violations of the rules and regulations may result in forfeiture of all premiums and awards, disqualification, expulsion or probation of the exhibitor and or livestock involved in the violation. Probation, disqualification, expulsion or other disciplinary action of the livestock committee will be final. A committee that includes all designated 4-H Superintendents – including, but not limited to livestock and indoor project superintendents, 4-H Council President, and the County Agent(s) as mediator reserves the right to interpret rules and arbitrarily settle all differences and questions not adequately addressed by the above code of ethics.

1. Loss Ribbon Place (I.E. Purple To Blue)
2. Loss Of Premium Money

These Rules And Consequences Will Be Enforced By Superintendents and/or Appropriate Committees.

**DRESS CODE FOR ALL CLASSES**

- **SHIRT:** long-sleeved button or snap-up with a collar. No T-shirts.
- **PANTS:** black or blue jeans with no holes.
- **SHOES:** hard sole, closed toe shoes or boots are required for all classes. No tennis shoes, **EXCEPT** for dog.
- **Hats or helmets are required as part of attire for horse, mini horse and pony classes. ASTM F1163/SEI Helmets are strongly recommended for use during shows and practices.**
- **The entry numbers are to be visible from the back for all contests unless otherwise instructed by the judge or ring steward. The size of the showmanship class will be determined by the appropriate barn superintendent.**
- **Dog showmen are expected to follow the dress code listed above with the following exceptions: hard shoes and hats are not required.**
- **FFA Members must wear official FFA dress as approved by the three county chapters.**
h. Horse, Mini Horse and Pony are expected to follow the dress code listed above with the following exceptions: western boots are required.

**DRESS FOR ALL INTERVIEWS**

Dress code includes business attire, agriculture business casual, or official showmanship dress. Exception is cat, rabbit and poultry which require showmanship attire.

**STILLWATER COUNTY 4-H AND FFA GRIEVANCE POLICY AND PROCEDURE**

The County Extension Agent and/or current 4-H committees will make rule(s) interpretation and decisions. When an individual has given verbal notification of grievance of a rule or policy infraction and the concern is not satisfied, a written request is needed to file a grievance.

**Submission of Statement of Grievance:**

The party(s) grieving the process or decision shall file a formal written statement of grievance, and complete the Grievance/Appeal form. The statements must be filed no more than 3 days after the incident or notification of the results of the grievance if they wish to file the grievance to a higher level.

The statement shall contain the following information at a minimum:

1) The date and location of the incident
2) The name(s) of the people filing the grievance
3) A complete statement describing the incident including all facts upon which the complaint is based
4) Any rules, regulations, policies and/or procedures which have been violated, if any
5) List the names and addresses (preferably with phone numbers) of people who have been involved and their role in the incident.
6) A proposed resolution or the result the party filing the grievance recommends
7) Signatures of those submitting the grievance

The grievance should be turned into the Extension Office if it occurs during the fair, the grievance should be turned into the fair office.

**Grievance Committee:**

The Grievance Committee will include:

- All designated 4-H Superintendents – including, but not limited to livestock and indoor project superintendents.
- 4-H Council President
- The County Agent as mediator
- FFA Advisor (if the grievance involves an FFA member)

A secretary will be designated from the group to take notes. A quorum of the committee consists of 5 committee members and is required to take action on any grievance.

**Procedures:**

The County Agent will convene the meeting and notify everyone involved with the date, time and location. The person(s) filing the grievance must be present at the hearing or available by phone to express their concerns. In the interest of time and to make it fair for everyone involved, the length of time each person is allowed to talk may be limited. If the procedure escalates to include inappropriate behaviors (i.e.: foul language, improper gestures, threats, etc. as determined by the majority of the grievance committee) the grievance will be immediately dismissed resulting in an elimination of the grievers’ rights.

After discussion the person(s) filing the grievance will be excused from the committee meeting and committee members must vote. All committee members must vote, (unless excused for a direct conflict, and will not be included in the vote.) The decision is determined by the majority of the votes cast. Votes will not be publicized.

If a member of the grievance committee files a grievance/protest they must withdraw from the committee during the process. If wording or technical terms are involved a professional in the field may be present to provide information. The people directly involved in the first decision(s) will attend the grievance committee meeting(s) to provide background information. If applicable,
the club Organizational Leader and/or FFA Advisor of the person filing the grievance will be notified and is strongly encouraged to attend the discussion portion of the Grievance Committee Meeting.

**Appealing a decision of the Grievance Committee:**
If the person filing the grievance or the individual(s) affected by the grievance are not satisfied with the decision of the committee, they may request a hearing with the Council Executive Committee. The process and procedure needs to follow the same course as it did in the original grievance but be directed to the Council Executive Committee. The mediator is the County Extension Agent.

All committee members must vote, (unless excused for a direct conflict, and will not be included in the vote). If the vote is a deadlock the decision of the Grievance Committee stands and cannot be overturned.

Any and all questions, problems, violations or other situations arising at any time before, during or after the fair not otherwise covered by the rules & regulations printed herein shall be decided upon by the appropriate Superintendents and or committees.

**Montana State 4-H Grievance Procedure** (If the person filing the grievance or the individual(s) affected by the grievance are not satisfied with the final decision of the local committee, the following procedure applies.)

The party(s) grieving the process or decision shall file a statement of grievance. The statement shall contain the following information at a minimum:

1) The date of the incident
2) The name(s) of the people filing the grievance
3) A complete statement describing the incident including all facts upon which the complaint is based
4) Any rules, regulations, policies and/or procedures which have been violated, if any
5) List the names and addresses (preferably with phone numbers) of people who have been involved in the incident and their role in it
6) Signatures of those submitting the grievance

**Grievance Committee**
A committee of 3-5 people will be appointed by the State 4-H Office to:

Revised 10/10
1) Narrow and define the issues related to the incident
2) Gather information related to the incident which may include:
   a. Identifying and obtaining input from people
   b. Reviewing documents
   c. Other processes deemed necessary by the committee
3) Prepare recommendations for the resolution of the grievance. The recommendations will be non-binding and no testimony used by the grievance process may be used for any other purposes.

The grievance statement should be filed with: Todd Kesner, Director
4-H Center for Youth Development Taylor Hall, MSU Bozeman, MT 59717

**Live Auction Procedures for Non-Livestock Exhibits**
Any 4-H member who receives a purple ribbon on a completed, usable exhibit (not demonstration, sample, or display) may enter that exhibit in the Fair Live Auction as long as it is not a food or animal item. Examples include, but are not limited to, leather wallets, photos (framed or matted), picnic tables, cross-stitched pillows, quilts and garments. Members will only be allowed to sell two total items in the market sale. This includes combinations of livestock and non-livestock items (only 1 beef animal can be sold in the sale).

The exhibits will sell in the Live Auction on Saturday of the fair. This portion of the sale will be held in two groups between the first and second animal species (i.e. between beef and sheep) and then again between the second and third animal species (i.e. between the sheep and hogs). The exhibitors will draw a number for their place in the sale order within the non-livestock exhibits at the time of entry. Because of the drawing procedure, a member may end up selling 2 items before another member has sold 1 (For example swine sell first in the sale order, a member sells a market swine and then sells a Live auction item.)

1. Pick up an entry sheet either at the extension office table after interviews or at the Silent Auction Registration table Thursday morning between 8:00 and 10:00 a.m. A picture of the exhibitor and the item to be auctioned will be taken.
2. On Thursday morning between 8:00 and 10:00am, you must return your completed entry sheet and exhibit to the Silent Auction registration table. Show the ribbon and entry tag you received on the exhibit to the person in charge of the Silent Auction (Silent Auction Manager) Do not leave your ribbon or entry tag with the exhibit. No exhibit will be received after 10:00 a.m. If this is not possible, manager is willing to make an exception as long as considerate and open communication with 4H member occurs. Sale order will be determined at this time. After manager has received registration form, item will be left on live auction table. Silent Auction Manager is no longer responsible for live auction items and live auction table will be moved into the sale pavilion at 12:00p.m. Larger items on display outside will be given cards noting for sale in the live auction.

3. Exhibitors must present their exhibit in the sale in the correct sale order. Exhibitors must abide by the sale dress code to sell in the sale. (See Dress Code for showmanship, market sale and round robin in the Fair Book for details).

4. Buyers will be billed for the expense and exhibitors will be paid at the same time as all other livestock exhibits in the sale. A fee of 5% of the sale receipt, up to $750 of value will be assessed. This fee covers advertising, broken items, etc.

5. Any controversy or questions about Live Auction will be handled by the sale committee.

Silent Auction Procedures

Any 4-H member who receives a blue ribbon or higher on a completed, usable exhibit (not demonstration, sample, or display) may enter that exhibit in the Silent Auction as long as it is not a food or animal item. Examples include but are not limited to leather wallets, photos (framed or matted), picnic tables, cross-stitched pillows, quilts and garments.

The auction will begin on (Thursday) of the fair at 10:00am and will close sharply at 4:00pm on Saturday.

1. Pick up an entry sheet either at the extension office table after interviews or at the Silent Auction Registration table Thursday morning between 8:00 and 10:00 a.m. You must fill out the entry sheet neatly and completely. Please allow 4H member to fill in their entry form in their own penmanship as part of their responsibility.* This sheet will be displayed with your exhibit during the Silent Auction.

2. On Thursday morning between 8:00 and 10:00am, you must return your completed entry sheet and exhibit to the Silent Auction registration table. Show the ribbon and entry tag you received on the exhibit to the person in charge of the Silent Auction (Silent Auction Manager) Do not leave your ribbon or entry tag with the exhibit. No exhibit will be received after 10:00 a.m. If this is not possible, manager is willing to make an exception as long as considerate and open communication with 4H member occurs.

3. The Silent Auction closes at 4:00pm Saturday. Silent Auction Manager is available to exchange item and money on 4H member’s behalf from 4:00 to 5:30, 6:00 at the latest, as needed. 4-H member has until this ending time to pick up their envelope from manager. Any remaining envelopes and projects not picked up by buyer will be handed over to extension office to be picked up by 4H member. Items not paid for or bid on will be returned to the 4-H member.

4. At close of silent auction, the manager is responsible for exchange of money and project to buyer, attributing correct dollar amount to proper member which is organized by an envelope system, attaining buyer’s mailing address for purposes of thank you notes, and logging buyer’s name for extension office purposes. Please do not conduct a transaction on your own as this would interfere with this process.

5. Any controversy or questions will be handled by the Silent Auction committee.

*The suggested bid amount should cover your cost plus a slight profit. Refer to your financial record sheet before stating a minimum bid

ANIMAL SCIENCE PROJECTS

ALL SPECIES PROJECT YEAR REQUIREMENTS

Complete minimum requirements at each level, can be done in 1 to 3 years.

**Level 1:** Must complete a minimum of 7 activities and 3 learning experiences each year.

**Level 2:** Must complete a minimum of 7 activities and 5 learning experiences each year.

**Level 3:** Must complete a minimum of 7 activities and 5 learning experiences each year.
GENERAL LIVESTOCK RULES

1. Market animals cannot be enrolled as breeding projects.
2. All market/carcass Beef, Sheep, and Goats will be owned, weighed in and tagged on the date listed below. After these weigh-ins a card will be given containing name, weight and tag numbers. These will be the official starting weights. Exhibitors have one week from the date of receipt to submit any corrections to the Extension Office.
   - Market/Carcass Steers: 2nd Sunday in January
   - Market/Carcass Sheep and Goats: 1st Sunday in May
   - Market/Carcass Swine must be tagged and photos sent in by May 1st.

Exhibitors must send in photo of the tagged hog with the front and back of the ear tag visible. These photos must be received by the Extension Office (digital or hard copy) by May 1st

Except under unusual conditions, 4-H/FFA members only are permitted to care for, fit and show their animals. The fair is an educational experience and, as such, exhibitors shall fit and groom their own animals for show. Exhibitors may receive limited assistance from parents, other exhibitors and Leaders &/or Advisors. It is expected that a member may have two animals in some Classes, so assistance of another member to help show the animals will be permitted. All exemptions must be granted by a majority committee of livestock barn superintendents and the agricultural Extension Agent and FFA Advisors where applicable.

3. All animals; breeding animals, horses, mini horses, ponies, goats, dairy animals, (see dog rules), cats, rabbits, poultry and pocket pets must have been acquired, in member’s continual care and be enrolled by May 1st.
4. To participate in any of the carcass contests the member must be enrolled in the respective market animal project and satisfy all the project requirements including completed records and be interviewed at the fair.
5. All market animals must be dehorned and castrated.
6. Adults other than judges and officials will not be allowed within 10 feet of any animals during the judging. This rule is subject to exemptions due to safety considerations.
7. A 4-H/FFA member may enter only as many animals as the rules for the class allows.
8. Champions will be selected in classes only as noted in the class rules and at the judge’s discretion.
9. Please note: All Champion showmanship animals will be on display for the entirety of the fair. Any exceptions will be brought before a committee of all the livestock superintendents. If a member chooses to remove their animals early they will forfeit all awards for winning that particular class.
10. All feed and equipment must be furnished by the exhibitor. Shavings for bedding will be furnished.
11. Ribbons will be awarded at the discretion of judges. Exhibits will be placed Purple, Blue, Red and White. No premiums are paid on White ribbon exhibits and White ribbon animals are not allowed to sell in the livestock sale.
12. All animals must be clean and properly fitted or will not be shown.
13. All horse, pony, mini horse, beef, sheep, swine, goat and dairy exhibitors are required to participate in the showmanship contests. Horse, Mini Horse and Pony Champions will join the Round Robin on Saturday. Non-participants must meet with the superintendents and the appropriate committees to explain reasons for not participating. Penalty will be loss of awards and premiums. Jr. Showman will remain Jr. Showman until eligible by age for Sr. Division. A member is considered a Sr. if he/she has reached age 14 by October 1st of the current 4-H year. FFA members will show in the Sr. Division.
14. No more than 5 breeding animals per species per member may be shown at the fair. Each animal must be listed on the entry form to be eligible for ribbons and premiums.
15. All market beef, swine, sheep and goat members are required to obtain Quality Assurance certification by attending training during first market livestock year as a Jr. and first market livestock year as a Sr. If you have already taken QA 3 times, you do not need to take it again.
16. All sheep and goat members bringing animals to the fair will be required to have all animals tagged or tattooed for the Scrapies Free Program that is promoted by the State Department of Agriculture.
17. Because of safety concerns, all livestock must be manageable by the livestock exhibitor. Any animal deemed unsafe by the livestock superintendents will not be allowed to show or sell.
18. All Livestock Exhibitors are required to attend Mandatory meeting for all Members and at least 1 parent. (8pm or immediately following weigh-in)
19. All livestock shown at fair will be screened by the health committee at fair check in.
20. A Champion and reserve showmen will be chosen if quality merits, in the Junior and Senior division of horse, pony, mini horse, beef, dairy, goat, sheep and swine.
21. All animal members please note: Any Member selling market animals who is not dressed according to the rules will have their livestock pulled out of the sale order and will be put at the end of the sale.
22. Members must show their own animal. ALL animals must be controlled.
23. The 4-H Leader’s Council assumes responsibility for the animals after the sale.
THE 4-H/FFA LIVESTOCK CODE OF ETHICS
Montana 4-H is based on principles of positive youth development. 4-H and FFA believe that all producers and exhibitors of livestock have an interest in maintaining a reputation of integrity as well as an interest in presenting a positive and progressive image at livestock shows. Because 4-H and FFA believe all livestock producers want to produce a wholesome, safe and reliable source of food for the public, the following 4-H and FFA Livestock Code of Ethics has been adopted. Violations of the code are considered unethical in the raising, showing and exhibiting of 4-H and FFA livestock at shows and fairs.

SPORTSMANSHIP
All exhibitors and their families are encouraged to conduct themselves in a positive, honest, sportsmanlike manner during the shows and at the fair. Losing gracefully is just as important as winning humbly. The following practices are prohibited:
1. Criticizing or interfering with the judge, other exhibitors, or show officials while attending the fair may result in an individual or group being expelled, placed on probation or declared ineligible to exhibit at the fair.
2. Unsportsmanlike conduct, such as abusive language to show officials, other exhibitors or spectators is prohibited.
3. Misrepresenting the age of an animal for a class in which it is shown is prohibited.

TREATMENT OF ANIMALS
All animals are to be treated in a humane manner. Adequate feed, water and shelter are to be provided at all times. Physically abusing an animal is unacceptable at any time.

PHYSICAL ALTERATION OF AN ANIMAL
The following will not be tolerated:
1. Treating or massaging any part of the body internally or externally with an irritant, counter irritant or other substance or method to temporarily straighten a weak back or loin or to produce unnatural animation.
2. Striking the animal to cause swelling in a depressed area.
3. Surgery of any kind performed to change the natural contour or appearance of the animal’s body, hide or hair. Not included is the removal of horns, clipping and dressing of hair and trimming of hooves, spaying heifers, castrating male animals or docking tails according to policy.
4. Insertion of foreign material under the skin.
5. Balancing the udder by an abnormal means including the use of a mechanical contrivance or the injection of fluid or drugs.
6. Setting the teats and/or occluding (sealing the ends) with a mechanical contrivance or with the use of a chemical preparation.
7. Treating or massaging the udder or its attachments with an irritant or counter irritant. The use of common products such as fly spray, ointment, or liniment in excess to the extent that is irritating is included as irritant unless required to reduce edema at the time of calving.
8. Products that match an animal’s natural color may be used in the fitting. Any attempt to change natural color of any animal, either purebred or crossbred, by changing the color or adding false hair, fleece, or skin at any point, spot or area of the animal’s body is prohibited.

ADMINISTRATION OF DRUGS
The Stillwater County Fair does not permit the administration of a drug or any kind or description (herbal, natural or pharmaceutical), internally or externally, except for treating a recognized disease or injury. For the purposes of these rules, the term “drug” shall mean any substance, the sale, possession or use of which is controlled by license under federal, state, or local laws or regulations and by any substance commonly used by the medical or veterinary profession which affect the circulatory, respiratory, or central nervous systems of an animal. Only those drugs approved and labeled under FDA law for use on specific animals can be administered. Livestock requiring any medication should be identified upon arrival at the fair to the barn superintendent. Exhibitors should be prepared to present a valid prescription or a written explanation either or both to be signed by the animal's licensed veterinarian. If livestock requires medication or treatment after arrival at the show, any medication used to protect the health and welfare of the animal must be prescribed by a licensed veterinarian and approved by the Superintendent. Administration must, at all times, be given in accordance with the label or veterinarian prescription. Liability for the correct administration of the prescribed drug is the responsibility of the exhibitor and exhibitor’s parents or legal guardian. Exhibitors are prohibited from:
1. The use of alcoholic beverages in feed or administered as a drench.
2. The use of diuretic on any animal is prohibited
3. Minimizing the effects of crampiness by feeding or injecting drugs, depressants or applying packs or using any artificial contrivance or therapeutic treatment exempting normal exercise.
4. Administration of tranquilizers or calming agents, natural, herbal or pharmaceutical, to calm down animals.

The Livestock Committee reserves the right to call in a veterinarian for testing.

All animals sold through the 4-H market Livestock Sale must conform to FDA/EPA/USDA established withdrawal periods for any substances including drugs, pesticides, feed additives, or other chemicals. Animals may be tested at packing facilities for antibiotics residue. If a positive test is confirmed, the animal will be condemned. The loss and associated costs are a responsibility of the member/exhibitor, not the 4-H Council.

**Herdsman Award**

4-H members will be evaluated on care of animals, pen/barn cleanliness, helpfulness, sportsmanship, public interaction, and fair set-up and clean up. Awards will be given to a Senior and Junior member in each category (Beef, Sheep, Swine, and Small Animal). These awards are to be distributed at Achievement Night.

**MARKET SALE POLICY**

1. The sale order (option 7) will be as follows: entries are sorted by Class Ribbon, then by Division placing, then by Class placing, and finally by Division. Entries with similar ribbons will appear together. All Champion and Reserve Champions will sale at the beginning of that specific species.
2. Sale order will alternate each year by species. 2018 sale order will be, Market Goats, In-door exhibits, Swine, In-door exhibits, Beef, Sheep, Market Rabbits and Market Poultry.
3. All market animals will be weighed and sold by the pound rather than by the head.
4. Clubs rotate in providing a lamb to be auctioned with the proceeds going to Stillwater County 4-H Council. It is recommended it be a market age ewe lamb. Clubs are responsible for obtaining and/or raising the council lamb separate from 4-H project.
5. Where an animal is purchased and the buyer then donates it to some worthy cause for resale, the animal will be resold immediately. However, any animal is limited to that single resale in the ring. The council lamb will sell after all members have sold at least their first lamb. All other items & animals donated for the sale will sell at the end of the sale.
6. Market beef animals must have a bill of sale. The bill of sale must be brought with the animal and turned in when the animal is weighed at beginning weigh-in.
7. Every family can tag or enroll an extra market animal or horse that can be used for a replacement by any sibling enrolled in the respective project if one of their animals becomes sick, injured, or dies. The animal must be tagged and/or designated as the extra animal. To move the animal from being the designated extra animal to the replacement animal the family must contact the livestock Extension Agent approval. Evidence such as a picture, vet let, or other proof may be asked for. The extra animal can be entered into the carcass contest under any family member enrolled in the respective project.
8. **Members may sell two market animals, one market beef.** This can be any combination of beef, sheep, swine, rabbit, or poultry.
9. **Breeding animals may be advertised for sale at the fair and sold by private treaty only.**
10. Members are responsible for putting their animals in the proper pen, stall or trailer at the fairgrounds after they go through the sale ring.
11. A member may only remove animals from the sale before the establishment of the sale order by the 4-H office staff and this is done immediately following the conformation judging of each market class.
12. As the livestock Sale Committee contracts for the sale of all the resale animals before the sale, no resale animals will be available for purchase back by exhibitors after the sale.
13. All market animals sold at the Stillwater 4-H/FFA Market Livestock Sale will be assessed a fee of 5% of the sale receipt, up to $750 ($37.50), value of the animal. Commission is used for sale expenses such as advertising, buyer's lunches and recognition, brand inspection, livestock equipment, and market animal emergency fund.
14. All animals sold during the 4-H/FFA Market Livestock sale and sent resale will be delivered to the resale buyer. There will not be any negotiations or reselling of animals during or at the fair. Resale prices and terms will be negotiated and posted prior to the fair by the sale committee. Once the prices are finalized, 100% of all animals sent resale will be delivered to the committed resale buyer. The 4-H Council and resale committee will not negotiate or make changes prior to delivery. The names of the resale buyers will not be released to the general public by the Sale Committee except to those individuals needing the information for transport, inspection, health, and related issues.
15. **Fair Weigh-In:** Livestock will be weighed in for classification, refer to fair weigh-in schedule. This weight will be used as the sale weight. Check weight limits. Steers will be measured for hip height. Following weighing of animals, classes will be designated and posted. **Class size** will be determined by superintendents with consult from the judge, but will not exceed **15 animals**.
Pictures will be taken at weigh-in. See dress code for attire rules. A portable electronic scale will be used to weigh the stock for show classification and sale weight. These scales meet minimum tolerance for livestock as determined by the State; however the scales will not be certified.

Maximum weight limits have been established by the 4-H Council for the market animals. Market animals weighing over the limits will be paid only for the limit weight. (i.e. the buyer of a 150 lb. lamb will only be charged for 145 lb. and the member will only be paid for 145 lb.)

|---------------------|-----------------|-----------------|-----------------|

Minimum weight limits have also been established by the 4-H Council for the market animals. Market animals that have not met the minimum weight limit cannot be sold in the 4-H sale.* There is an exception for swine, see note below minimum weights.

|-----------------|-----------------|-----------------|-----------------|

(Weights revised by 4-H Leader’s Market Sale Committee 2017)

Market swine between the weights of 200 lbs. and 230 lbs. can be sold in the 4-H Livestock Sale but cannot be offered for resale unless the 4-H Council has made special arrangements. All species that do not meet the minimum weight limit are not allowed to go through the sale.

16. Re-weigh policy: A request for a re-weigh must be made immediately after it is weighed at the designated fair weigh-in time. It will be immediately re-weighed. It is recommended that an adult accompanies their children to weigh-in.

17. It is required of all members selling animals in the Market sale that they have completed their 4-H records up to the day of the fair. This includes feed records (if applicable), financial records, project journals, and also completed the requirements in the respective project manuals. FFA members will complete records designated by FFA advisors. If all project manuals have been completed then members must complete an independent study related to their project. All records must have a leader signature. Leaders will submit a list of completed forms and manuals to the Extension office at the Fair 4-H council meeting. The main objective of the 4-H program is to provide a learning experience for the member and not just provide a place to sell an animal.

18. Before any animal is removed from the fairgrounds it must be cleared with the species livestock superintendent.

19. **Sale order will be posted for 2 hours Friday afternoon at the Fair Office for your review. Any corrections must be made during this time. After the 2 hours after posting, no further corrections will be made to sale order.

CARCASS PROGRAM, POLICY, AND PROCEDURES

1. All entries into the carcass program must be enrolled by the respective enrollment deadlines:
   a. Market Beef: January 1
   b. Market Swine and Sheep: May 1

2. A member must be enrolled in the market project in order to take a carcass animal and follow all requirements of the class with regards to manuals/options, and records including completion deadlines for records and manuals for the fair.

3. All carcass animals MUST be weighed on the scale provided. The animals will be judged before the fair. Members MUST attend the weigh in, live judging, and carcass evaluations. Carcasses will be placed 1, 2, 3, 4, etc. by the judge with the overall placing to determine the winner. If any animal qualifies, the grading results will be sent in to the State Merit programs. To qualify for the Steer of Merit program, the member must have attended a Quality Assurance Program.

4. It is the responsibility of the member to find a buyer for the carcass animal.

5. A member who has intended to exhibit and sell his/her market animal in the fair sales but finds the animal is considered too dangerous to bring to the fair may enter the carcass contest with that animal up to the date of delivery to the packing plant, even if they are not carrying a carcass project. The member must call the Extension Office to enter.

6. There is no limit on how many animals you wish to enter for the carcass program.

6. Carcass awards will be as follows:

DEPARTMENT 3
HORSE
STILLWATER COUNTY 4-H HORSE POLICY

HORSE COMMITTEE
The horse committee consists of enrolled 4-H Leaders and Junior Leaders. The committee will preside over the 4-H Horse Program and will meet as needed. To be eligible to vote, a leader must be enrolled. A quorum will consist of at least five committee members. Actions by the 4-H horse committee will then be submitted to the full 4-H council for approval.

PURPOSE OF HORSE COMMITTEE
1. To establish Stillwater County horse project policies.
2. To plan and implement assessments and keep records.
3. To plan and implement the 4-H horse show during the Stillwater County Fair.

HORSE COMMITTEE GOALS
1. To build and develop life skills in the member with whom we work.
2. Positive self-concept
3. Decision making skills and responsible attitudes
4. Develop inquiring minds
5. Develop the ability to relate to self and others
6. Develop a concern for communities – local and global
7. Develop leadership, initiative, self-reliance, sportsmanship and other desirable traits of character.
8. Allow 4-H members to experience the pride and responsibility of having a horse and of receiving training in its care, feeding management and related costs.
9. Provide 4-H members with the opportunity to learn to appreciate horseback riding as a healthy and wholesome form of recreation.
10. Provide 4-H members with the opportunity to gain skill in horsemanship, patience and understanding in handling horses.
11. Educate 4-H members to recognize safety precautions to prevent injuries to themselves, other and their mounts.
12. Teach 4-H members to nurture greater love for animals and exhibit humane attitude towards them.
13. Prepare 4-H members for citizenship responsibilities by working together in groups and supporting community horse projects and activities.
14. Promote the 4-H program.
15. Promote the goals of the 4-H Horse Project.
16. Promote excellence in horsemanship.

HORSE POLICY

1. Stallions are only permitted as a yearling in the Colt to Maturity project.
2. All animals must be owned and in the continual care of the member by the 1st Monday in May of the current 4-H year. The member must also be enrolled in the project on that date and provide Proof of vaccination and a completed horse project id card for each horse turned into the extension office.
3. Horse, Pony and Mini Horse showmanship Champions from the horse shows will remain at the fairgrounds for the remainder of the fair and will show their horses in the Round Robin.
4. Change of horse or replacements will not be made without consulting with the horse superintendent. This is allowed only under the most extreme circumstances in the horsemanship projects as this project is judged on the member’s ability to perform the requirement of the project. The replacement horse must be a horse owned by the member’s family and not a professional replacement. A replacement in the Colt to maturity class is not allowed as this project is designed for using the same horse from beginning to end of the project.
5. Ribbons and trophies are awarded on merit only.
6. The judging criteria for showmanship will be as follows.
   50% Showing the Horse
   40% Condition & Appearance of Horse
   10% The exhibitor
8. Must Show proof of Vaccination of all horses entered.
9. Members are to use the same horse that they used for assessment.

SAFETY

If the horse superintendent determines that a 4-H member is not in control of his/her horse and is endangering his/her self or others, the superintendent will assist that 4-H member in gaining control of his/her horse. If this is not possible at that time, the 4-H member will be excused from the arena or working area. The Superintendent will follow the safety guidelines set forth in the Montana 4-H Horse Safety Guidelines. Members or leaders with safety concerns should bring them to the horse superintendent.

ELIGIBILITY FOR THE HORSE PROGRAMS: 4-H MEMBER

1. Horsemanship is the basis for the horse project. All members must complete Horsemanship levels 1, 2 and 3 before entering any other Horse project, with the exception of Horse Judging, Career Horse Showing and Packing, which may be taken simultaneously with any mounted horse level. (See the project descriptions for specific assessment requirements.)
2. Advanced Horse Projects:
   • A 4-H member must have been enrolled in Horsemanship I-V11 for one year
   • Must have completed levels I, II & III prior to May 1st of the second year validated by the signature(s) of the Horse Superintendent
   • Must be 12 years or older, and
   • Have demonstrated ability to handle the project to the Horse Superintendent before enrolling in the Colt to Maturity and Green Horse projects.

PROJECT HORSES

1. A project horse may be exhibited by more than one 4-H member in any one project year if the 4-H members are not in the same level and or class at the 4-H Fair.
2. Except for the Yearling Colt project, only mares and geldings may be shown.
3. Un-broke or green horses that are 2 years or older when the 4-H member begins the project should be entered in the Green Horse project. This project is designed for an unbroken or green broke horse that is too old to be eligible for the Colt to Maturity project.
4. The age of the horse shall be computed by the calendar year starting January 1\textsuperscript{st} of the year foaled. (EX: a horse foaled any time in 2012 will be termed one year old January 1, 2013.)

5. All horses carried in 4-H projects must be in the continual care of the 4-H member by May 1\textsuperscript{st} of the project year and must remain so for the duration of the project year. If a horse must be stabled at a location other than the home of the member, then the member must do the following:
   - Inform the horse leader and be prepared to exhibit to the horse leader that he/she is continually feeding and caring for the animal.

6. Proof of 4-way vaccination will be presented to the Extension Office no later than May 1\textsuperscript{st}. Vaccinations must include Flu and Rhino. You can get a 4-way that does include these.

**ASSSESSMENT**
1. An assessment should be an educational experience. The member should feel good about themselves, their project work, and the assessment process. The assessment process is a time to build positive self-concept and help the member with decision making and the development of a responsible attitude.
2. All assessments will be completed by the Horse Superintendent or a qualified 4-H Horse Leader approved by the Horse Superintendent.
3. For safety and liability reasons Members must be assessed on each horse they will use for each discipline. A move by a 4-H member to progress from one level to another within a horse project will be considered valid and completed only if the safety assessment are accompanied by the signature of the Stillwater County 4-H Horse Superintendent or a qualified 4-H Horse Leader approved by the Horse Superintendent.
4. Once the member have has moved to a new level, he/she may enroll in each level as many times as they like, and may progress according to their interest and ability, checking off the skills in the assessment as they progress through the year(s). Any new horse must be assessed even if a rider has been previously assessed on another horse.
5. The Horse Superintendent may refuse to provide a signature for level or project advancement for safety considerations only. However, if the Horse Leader questions the member’s abilities for advancement the Horse Leader may provide his/her signature and include the statement, “with reservations” following his/her signature. “With reservations” indicates that while the choice to advance is that of the member the advancement is not approved of by the Horse Leader.

**INSURANCE**
1. The Superintendent will inspect the assessment/fair facilities for possible dangers to the participants. They will contact the owner of the facilities to make sure they have liability insurance in effect.
2. Each 4-H horse member is required to have his/her parent or guardian sign a liability release. These releases must be on file at the 4-H office with enrollment forms prior to any 4-H horse activities.

**POLICY CHANGES AND DISPUTES**
1. The Stillwater county 4-H Horse Program policy will be reviewed each fall at the first meeting of the 4-H year. Any proposed policy changes will be voted on by the horse \livestock committee and presented to the 4-H council for approval prior to January 1\textsuperscript{st}.

See Stillwater County 4-H Grievance Policy and Procedure for enforcement of Rules covering the Montana State and Stillwater County Horse programs.

**CODE OF ETHICS & 4-H HORSE PROJECT DRESS**
1. Code of Ethics for 4-H members is covered under the section “Code of Ethics” in the Stillwater County Fair Book
2. Dress code will adhere to the policies set forth in the Stillwater County 4-H Fair Book general rules.
3. No Stillwater County Horse Judge may provide any clinics involving Stillwater 4-H Horse project members or assist any Stillwater 4-H horse project member during the project year in which he/she will be a judge.

**HORSE SHOW RULES**
1. Practice safety at all times as defined in the Stillwater County 4-H Horse Program Policy Manual.
2. Keep horses, equipment and feed clean and neat.
3. Keep horses in a safe place at all times.
4. Keep the horses in designated area or arena. Please do not ride or lead horses in the public areas.
5. No tranquilizers will be used.
6. Make sure your animal always has enough food and water.
7. See that your animal is clean and well groomed.
9. Practice the same animal care behavior required at fair at home before and after the fair.
10. Members violating horse show rules after at least one warning may be subject to loss of premiums, ribbons, awards and trophies related to the horse show.
11. The Champion and Reserve Champion horse, mini horse and pony showmanship winners are eligible and encouraged to participate in the round robin showmanship contest. Non-participants must meet with the superintendents and the appropriate committee to explain reasons for not participating.
12. For the safety of the competitors, any horse that is a known kicker must wear a red ribbon on its tail or it cannot be shown.
13. ASTM F1163/SEI helmets are strongly recommended for use during horse shows.
14. ASTM F1163/SEI Helmets are strongly recommended for use not only during horse shows, but during practices. See Horse Superintendent for more information.
15. Each member must have their completed horse manuals, through the assessment level that they completed, their project, financial & feed records, proof of vaccination and Horse ID Card(s) and the member journals for their fair interviews.
16. See clover for a listing of applicable project manuals. All requirements for each project are listed in these manuals.

17. At the Stillwater County Fair, a horse may be shown with whatever tack the horse has been trained with at home. The only exception to this will be if their leader, the horse committee and or the judge deems that what the member is using is unsafe. The member must understand that if they choose to attend the State 4-H Horse Show they will have to abide by the state rules completely including tack requirements.

All members in the 4-H dog project who attend the fair will be interviewed. Exhibitors are limited to one dog per Class. If you are showing two dogs they must be in separate Classes. Members may also enter any of the Classes under the miscellaneous section. Any member, who enters a dog in the fair for obedience, rally, or agility, must enter in showmanship. All dogs shown at the fair must have proof from a veterinarian that all vaccinations are current. Anyone planning to show his/her dog in obedience or agility at the fair must attend at least one Stillwater County 4-H dog class for safety assessment, regardless of where the initial obedience or agility classes are taken. To be in the project you do not have to own a dog. The dog can be borrowed or leased but cannot be pre-trained. Dogs must be 6 months old by fair to enter in obedience, rally, showmanship or agility.

Show attire for Obedience, Showmanship, and Intro to Dog (Day 1):
SHIRT: long-sleeved button or snap-up with a collar. No T-shirts. PANTS: black or blue jeans. We recommend no hard sole shoes. Dogs must be shown with a standard choke chain and a 6 foot lead. No pinch collars. No dog treats are allowed while the dog is being shown (except showmanship where treats are allowed). A dog may stay at each level for up to 2 years, at the member’s discretion.

Show attire for Rally, Agility, Tricks (Day 2)
Casual
No T-shirts with graphics or cut-off shorts
Polo/athletics shirt and shorts are acceptable
Athletics shoes are encouraged
See division for acceptable collars and leashes

DIVISION 1 OBEDIENCE
Youth are highly encouraged to take obedience. Please enter the Class number that corresponds with the year in which you are showing your dog in the 4-H obedience ring, not the age of the dog or the number of years you have been in the project. For example, if you are starting with a 5 year old dog, you enter CLASS 1, or if you have been in the project for 3 years, but will be showing a new dog for the first time, you enter CLASS 1.

CLASS 1 Level 1: Sit stay, sit for exam, recall with finish, all on leash (AKC Beginner Novice)
CLASS 2 Level 2: 1 minute sit, 3 minute down, handler goes to end of leash and moves out 6 feet, pattern, loose leash over neck, recall with finish to a heel position, off leash. Stand for examination. (AKC-Novice, no off leash)
CLASS 3 Level 3: 3 minute sit, 5 minute down, handler across arena, pattern, recall with a down in the middle then finish to a heel, all off leash. Stand for examination. (AKC-Novice, all of leash)
CLASS 4 Level 4: 3 minute sit, 5 minute down, handler out of sight, pattern, recall with a down in the middle then finish to a heel; retrieve a dumbbell on flat, all off leash. Stand for examination.
CLASS 5 Level 5: 3 minute sit, 5 minute down, handler out of sight, pattern, recall with a down in the middle then finish to a heel, retrieve dumbbell over a jump off, all off leash. Stand for examination.

DIVISION 2 RALLY OBEDIENCE
Rally obedience is a sport where the dog & handler team move at their own pace through a course that includes 10 to 20 stations depending on the level. Scoring is not as rigorous as traditional obedience. Communication from the handler to the dog is encouraged and perfect heel position is not required. There should be a sense of teamwork and enthusiasm as the team goes through the course. You get points for enthusiasm. Stationary exercises are those that involve a stop and sit or down. Showmanship attire is not required during the Rally Obedience show. Dogs show in a buckle or martingale collar with a six foot lead. No treats or toys are allowed in, or around, the show arena. A dog may stay at each level of Rally for up to 2 years, at the member’s discretion.

CLASS 1 Level 1
• Equivalent to Novice
• This level may be repeated two consecutive years at the county fair.
• All exercises performed on a leash.
• Require 10-15 stations to complete, no more than 5 stationary exercises
- Exercises performed vary from turning 360° to changing pace during the course.
- Exhibitors at this level may clap their hands, talk to the dog and pat their legs through the course.
- Skills that will be needed to compete in Rally Obedience include recall, heel, sit, finish and down.
- Rally signs that may be used at this level are #1-33.

**CLASS 2**  **Level 2**
- Equivalent to Advance
- This level may be repeated two consecutive years at the county fair.
- All exercises are performed on a loose leash or with leash over neck.
- Require 12-17 stations with no more than 7 stationary exercises.
- Exercises include a jump as well as calling your dog to the front of you instead of a heel position.
- Exhibitors at this level may clap their hands, talk to the dog, and pat their legs through the course.
- Skills that will be needed to compete in Rally Obedience include recall, heel, sit, finish and down.
- Rally signs that may be used at this level are #1-33

**CLASS 3**  **Level 3**
- Equivalent to Excellent
- Exercises are performed off leash.
- Require 15-20 stations, with no more than 7 stationary exercises.
- Handlers are only allowed to encourage their dogs verbally. Physical encouragement is not allowed.
- Exercises include backing up 3 steps while the dog stays in the heel position and a moving stand while the handler walks around the dog.
- This level may be repeated as many times as the handler wishes.
- All of the Rally Signs may be used at this level.

**DIVISION 3**  **AGILITY DIVISION**
Dogs must be shown with a buckle collar or no collar. Tabs may be used in Class 1 & 2 agility. No choke chains, long leads or pinch collars. No dog treats may be used on the agility course.

**CLASS 1**  **Intro to Agility**
- Simple course for dogs under 1 year of age
- No jumps
- Tabs allowed

**CLASS 2**  **First and Second Year Dogs**
- Novice course, no weave poles.
- Member may enter for 2 years.
- Course may consist of jumps, tunnel, chute, tire jump, a-frame, teeter, table, dog walk and hoops.
- Tabs allowed

**CLASS 3**  **Dogs in 3rd Year and Up**
- Regular course. Will consist of same as novice, with addition of weave poles.
- The course will also be more challenging with more difficult turns and handling.
- No tabs

**CLASS 4**  **Interview only.**
- (Injured dog, absence from fair, etc.)

**DIVISION 4**  **DOG & PUPPY CARE**
**CLASS 1**  **Dog item you have made.**

**INDEPENDENT STUDY**
**CLASS 2**  **Notebook, exhibit, and display of what you have learned in your independent study.**
4-H dog members not enrolled in obedience or agility will be interviewed on the level of the dog project in which the member is enrolled. Members may be asked to demonstrate their knowledge related to the dog project after completing the required activities in project book.

**DIVISION 5**  **TRAINING AND TRICKS – Ribbon Only**
Handlers will demonstrate and perform at least one trick in front of judge and audience. The trick will be something each handler has worked to teach their dog throughout the year. Judge will determine placing based on performance of skill and
demonstration of training methods. Each performance and demonstration should be limited to 2-3 minutes. Treats may be used.

CLASS 1  Tricks Class

DIVISION 6  DOG JUNIOR & SENIOR SHOWMANSHIP (see Department 7 to signup)

Dogs may be shown in a choke chain, buckle collar or show collar. No pinch collars. All showing will be on a leash. Black or leather leashes are preferred. Dog treats or bait may be used in the ring. Pinch collars (discouraged), short leads, halters and other equipment may be used during training, but not in competition.

Showmanship is judged on how well dog and handler work together standing still and in motion, modeled after the AKC Junior Showmanship program. The dog’s conformation or its being purebred is not important. The handler must show knowledge and understanding of the dog’s breed (that breed which the dog most resembles), grooming requirements and general dog knowledge appropriate to the member’s project year. The handler should present a well-groomed dog that is trimmed appropriately according to the chosen single breed standard, however this should not be the judges deciding factor. Dogs clipped for health or maintenance reason will not be penalized. Dog and handler should work together and move fluidly. The handler should exhibit a positive attitude and courtesy to the judge and other handlers. Dogs will show as a group and individually. Please see the 4-H Dog Junior Showmanship Manual available at the Extension Office or online for more information.

DEPARTMENT 6  
CAT & POCKET PETS

The Cat Show and interviews will be held during the fair. Once the interview is complete, bring your project exhibits (not your cat) to be on display in your club’s booth at the fair. Send in your cat entries on the standard fair entry form so schedules may be set for the judging. You are automatically signed up for showmanship with your cat entry. Showmanship attire should be worn as specified. For the safety of your pet and all in the cat show, we require vaccinations for rabies and distemper. Bring proof of vaccination and include in your 4-H record book. You may enter up to seven unlike items in each class.

DEPARTMENT 7
ANIMAL SHOWMANSHIP

The following animal exhibitors will need to be enrolled to participate in the showmanship contests: Horse, Mini Horse, Pony, Beef, Cat, Rabbit, Poultry, Sheep, Swine, Goat & Dairy.

Non-participants must meet with the superintendent to explain reason for not participating. The Horse, Pony, Mini Horse, Junior and Senior Grand and Reserve Champions will be eligible for the Round Robin.

Showmanship classes will be: Novice, Junior & Senior divisions. The Senior division will show first, followed by Novice. The Novices whom the judge awards Purple ribbons will then compete with the Junior Division.

CLASSES:
- Class 1 - Senior: age 14 and above
- Class 2 - Novice: Junior age exhibitor who has never shown that specie before
- Class 3 - Junior: age 9 thru 13

The top Novices as determined by the judge will compete in the Junior Class if they are age 9-13 years old.

DRESS CODE
1. SHIRT: long-sleeved button or snap-up with a collar. No T-shirts.
2. PANTS: black or blue jeans.
3. SHOES: hard sole, closed toe shoes or boots are required for all classes.
4. Shoes: Hard sole, closed toe shoes or boots. No tennis shoes. Exception for dog and cat is below.
5. Hats or helmets are required as part of the attire for the horse, mini horse and pony classes. ASTM F1163/SEI Helmets are strongly recommended for use during shows and practices.
6. The entry numbers must be visible from the back, unless instructed otherwise by the judge or ring steward. The size of the showmanship class will be determined by the appropriate barn superintendent.
7. Showmanship judges will be encouraged to follow the dress code when making choices in the ring.
8. Dog, Cat and Rabbit Showmen are expected to follow the dress code listed above with the following exceptions, hard shoes and hats are not required.
9. FFA Members must wear official FFA dress as approved by the three county chapters.
10. Horse, Mini Horse and Pony are expected to follow the dress code listed above with the following exceptions, western boots

ROUND ROBIN SHOWMANSHIP

Contest includes the Grand and Reserve Champions in the Horse, Mini Horse, Beef, Sheep, Swine, Dairy and Goat contests. Contestants must show the animals they qualified with in the Round Robin. If one member has a Champion in two divisions he/she must choose which class they wish to participate in and notify the superintendent AND the office immediately following the last Showmanship contest. The next participant in the placing order of the remaining class will be able to participate in the Round Robin.

DEPARTMENT 8
VETERINARY SCIENCE

DIVISION 1  VET SCIENCE

The Vet Science Manual is an important part of the project. Be prepared to discuss the project with the judge during your interview. You may enter up to seven unlike items related to vet science. You must specify what the item is on the fair entry form.

CLASS 1  Level 1: From Airedales to Zebras
CLASS 2  Level 2: All Systems Go!
CLASS 3  Level 3: On the Cutting Edge
CLASS 4  Veterinary Independent Study
CLASS 5  Educational Display
Entries in this department supplement your Horse, Pony, or Mini Horse Project.

DIVISION 1  HORSELESS HORSE
If you currently do not have a horse, but think you one day will and will want to participate in other horse projects, you should enroll in this project. In Horseless Horse you learn how to identify the parts of a horse, horse behavior, horse breeds, costs of raising a horse, how to care for a horse, horse facilities, horse safety rules, selecting a horse, nutrition, reproduction, diseases, health care and pasture management.

DIVISION 2  HORSE SHOWING  (NOT HORSE SHOWMANSHIP: See department 5, division 5)
This project teaches you to select, train and maintain your horses for showing, but you will not bring a horse to the fair.

DIVISION 3  HORSE JUDGING
This project teaches you to select and evaluate horses, give oral reasons and places classes of conformation horses and performance horses. No horse of your own is required.
